

Brothers and Sisters,

To All Local 1-2 members please be sure to complete your open enrollment by Monday November 16, 2015.

There are Local 1-2 members who haven't completed their open enrollment for 2016. Talk it up, help get the word out.

Open enrollment must be done every year
Even if you opt out.

If you do not want coverage offered through Con Edison, you still must go on to HR Payroll and elected "no coverage".

Open Enrollment will be closed at midnight on Monday 11/16.

Thank You
