FOURTH ANNUAL PICNIC

In case you happened to miss the last three years, ask anyone who was there and you will know what you missed, and due to the overwhelming success we had, this has become The Annual Bronx-Westchester event. Hosted by Local 1-2 and the Bronx Westchester Stewards, Executive Board Members, and a host of volunteers including our spouses, and Union Officers, we are doing it again, with many new surprises and additions. Bring the whole family, they will be glad you did. **EVERY UNION MEMBER** is invited. They are still talking about 2013, 14 and 15, wait till you see what we have in store for 2016. Register early, this will be the event of the year. Just a reminder NYS does not allow pets in the Picnic and Pavilion area, that means us. Leave them home.
