

**Local 1-2 Brothers and Sisters (and Union Moms) we wish you all a Happy and Blessed Mother's Day.**

The celebration of Mother's Day in the United States on the second Sunday in May stems from the tireless efforts of one woman in West Virginia, Anne Jarvis, to honor the hard-never-ending work of her own mother.

She honored her Mother's memory by sending white carnations to her local church in 1908. By 1911 Jarvis had mounted a national campaign to recognize the unsung work of all mothers and in 1914 President Woodrow Wilson designated the second Sunday in May as the day of observance.

It is clear that mothers everywhere are underappreciated, overworked and often go above and beyond human endurance for the sake of their children.

On behalf of every Brother and Sister at Local 1-2, we thank every Union mother, whether a Member, wife of a Member or Mother of a Member, for all that Mothers do day in and day out. Thank you all from the bottom of our hearts.
