

Brothers and Sisters,

Today, July 4, 2017 marks our Nation's Independence Day, a grand experiment in freedom, begun in 1776, that reigns to this day.

So, in these tumultuous times, remember that we are all free to speak our minds without fear or favor, we are FREE to demand a share of the fruits of our labor. We are free to pursue the dreams we hold for ourselves and our families. We are Americans, a people from all corners of the earth, who live in the greatest Republic in history. Hold on to these ideals. And today celebrate our Great Nation, with friends, family and all Americans of good will.

It is our right!

Happy Independence Day!

Let freedom ring!
