“SISTER’S IN SOLIDARITY”

Calling All Union Sisters!!!

Join Us on Thursday, OCTOBER 23rd at 4:30 PM for our monthly Women’s Forum.

We will exchange information and ideas regarding the culture of females in the union. This group was established for social networking, mentoring insight and guidance from experienced female union members. The program provides a forum designed to expand knowledge, enhance self-awareness, and help position women for success within our union.
