Dear Brother Daley:

This is to let you know that Local 1-2, New York, Utility Workers Union of America, AFL-CIO, has your back as you enter the final hours of your Collective Bargaining Agreement with National Grid.

You were there for us when Con Edison locked out most of our Membership for 27 days in 2012.

It is only by sticking together when our employers come after our hard won benefits that we can respond and say, "No!"

Please convey our message of Strength and Solidarity to our Brothers and Sisters of Local 1049.

Stay strong. If you need us we will be there.

Fraternally,

James T. Slevin
President
