

Mother's Day

President James T. Slevin and all the Officers and Executive Board of Local 1-2, NY, UWUA, AFL-CIO extend our best wishes to our Sisters who are Mothers and to every Mother who is a Member of our extended Union Family.

For it is Mothers who provide each and every one of us with life and with our first demonstration of unconditional love and with the strength to stand in the face of life's ups and downs. This is the very meaning of Solidarity.

Happy Mother's Day!
