Remembering the 2012 Lockout

In 2012 the Con Ed bosses stopped at nothing to strip you of your hard-earned benefits. They used cold, cynical tactics when they locked out Local 1-2; and the after-effects of bitterness are felt to this day.

Brothers and Sisters ALSO remember that on this day in 2012 Local 1-2 held a rally at Con Ed Headquarters where the membership turned out in numbers that were over 5000 strong!

Never Forget!

Local 1-2 stands tall with you in Unity.
