

Brothers and Sisters

Brothers and Sisters, President Slevin, the Officers and Executive Board bring you grateful Holiday Greetings as 2018 comes to a close and we look forward to 2019.

The state of OUR UNION IS STRONG and we are grateful during this festive season for all that you do to make Local 1-2 the strongest there is.

The past year has seen our ranks increase and for that we should all be thankful. But it is to you, our Brothers and Sisters and your families, that we look at this time of year and give thanks for all our blessings.

So be proud to be a Union member and celebrate all you have earned. May the holidays find you healthy, happy and joyful in your leisure. And we wish you a happy, healthy and prosperous New Year-2019 here we come!
