

Brothers and Sisters,

We know that all of our members, just like everyone else in the nation, are concerned about the Corona-Virus (Covid-19) and contracting it at work or on the way to work.

Please be assured that YOUR UNION, UWUA Local 1-2, is working with ALL of your employers in an effort to allow as many of you as possible to work from home. Of course, that will not be possible for those who work in the field, in substations and in power plants; but we are exploring ways to reduce your exposure in those work locations as well. We will keep you informed of all developments as they occur.

Meanwhile, as always, work safe and stay safe.

James Shillitto
President
UWUA Local 1-2
