

Local 1-2 Brothers and Sisters,

On this Veterans Day, November 11, 2020 we honor and thank each man and woman who served in our Armed Forces, in war and peace, in the Army, Navy, Marines and Coast Guard.

Among our Members we have scores of such men and women who signed up, willing to put their lives on the line, day in and day out, so that we have peace at home. With heartfelt thanks for all that you do, we humbly salute your service. On the first Veterans Day in 1919, called Armistice Day then, President Woodrow Wilson declared:

“To us in America, Armistice Day reflections will be filled with solemn pride in the braveness of those which died in the service of the country and with gratefulness for the success Both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations.”
